**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Calm your lamentations in My Heart and I assure you, My son, My daughter, that you shall find the Light of My Kingdom.

Dear children,

Let us keep working for God through the power of prayer. The enemy tries to dissolve My Plans for the precious souls, the ones that I must rescue from obscure lives. For this reason, My soldiers, if at any moment of life you are in a test, keep going and hurry to the center of My Immaculate Heart so that I may protect you and shelter you.

My little ones, we must pray, because the final time is coming and hearts will only be able to affirm themselves in the power of the Divine Love of My Heart. I want to tell you, My little ones, that I place all of My followers of prayer before the sorrow of the world, a world that owes much to Our Lord.

To alleviate daily the pain and the desperation of souls, today I ask that we pray so that the merciful Light of God may descend over all the hearts that seek peace. However, the world and humanity will reach peace and the new time of God that is to come when, in humility and renunciation, you pray for your own salvation.

I am here to help and guide you towards My Kingdom of Peace, the Kingdom of God. I await each moment for My children in prayer. Remember all that I have said to you until now. Thus you will understand that the test in life is small in face of the emergency of the world.

Let us pray and work for peace.

Who loves you and shelters you always,

Mary, Mother of the Divine Conception of the Trinity
