DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS?

May peace be a living reality in the hearts of those who seek it.

May the union with God, children, transcend the outer reality of your lives, and may you be able to maintain your inner fortress even in times of chaos.

May prayer be the sustenance of souls and that which reminds you again and again of the true purpose of your lives, so that you do not confuse spiritual life with the trials of matter.

Know that the Truth is found on the levels of the soul and above. Everything that you live on the lower planes of consciousness are experiences that allow you to grow, and give you opportunities to mature the spirit and develop love.

May the chaos of the world lead you to seek God, and not confuse your paths.

May the growth of illusion in the planetary consciousness demonstrate to the awakened hearts that, more each day, they must hold on to the truth, which is found in the divine Purpose, in higher life.

May the numbness of souls have you understand that a higher life exists.

From the chaos that permeates the world, may your hearts be led to discover universal life, cosmic reality, since such an immense and great God could not limit His Creation only to life on Earth.

Children, allow your hearts to find their fortress in higher life and find meaning to material life by removing from your eyes the blindfolds that have, so far, prevented you from knowing the truth.

Dive into infinity and allow yourselves to be permeated by the mysteries of Creation. Faced with such a big illusion in the world, only the knowledge of higher life will make you persevere. This is why we have come to the world to reveal these things to you.

In this time, nothing will be hidden; the darkness and the chaos will not be hidden, but the light and the truth will also be visible for those who have faith and for the unbelievers, for those who have always waited for this moment, and for those who never wanted to believe it would come. The opportunity to awaken will be the same for everyone. The path you will choose to follow will depend on each one, and this choice will define the evolution of your beings.

Hold on to the light, the good, and the truth. Open your eyes right now to that which we are placing before your consciousnesses and embrace the awakening with gratitude.

Your Father and Companion,

The Most Chaste Saint Joseph
