DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY SISTER LUCÍA DE JESÚS????

Children,

I wish that, for a brief moment, your eyes could see the planetary reality; that for a brief moment, your hearts could feel what is true suffering: that which the Creator suffers, for the denial of His creatures towards His Plans.

For a moment, reflect and meditate on what makes you deny the Perfection of God, the living of His Love, of Fraternity, of Unity that He hopes to be able to print in your hearts. Why do you prefer to keep living in ignorance, in disharmony, in conflicts, in competition?

Children, what is it that nourishes the human heart in such way in the path of darkness that you do not elect to walk to the Light?

Many do not know how to answer Me because they sincerely aspire to follow a luminous path, but they let themselves be defeated by criticism, by selfishness, by pride, by competition and by all the other forces that tie them to the illusions of this world.

Where is the bravery that you have to compete, to get what you want, to establish your own will? This bravery must be converted and used to keep your spirits on the right path.

The closer the definitive times of the Earth gets, the bigger is the density of the planet and more difficult it will be to follow God, if there is not a firm determination inside of you of overcoming even yourselves and your own inclinations to the forces of chaos.

Children, I have already given to you all the keys: the ones who read My words will recognize, in their interior, that I have already marked out the path to a new race and to the absolute transformation of your beings and, as a result of your transformation, the transformation of all the ones who are around you, waiting for an example in order to awake.

The majority of the human beings prefer to surrender to the capital forces, than make an effort to overcome them inside and outside themselves. Only an example of determination will be able to encourage them to move forward. That is why I call you, that have everything and that have received from Heaven all the graces of God, to be pioneers on this path and take your steps.

The one who loves you and, because of that, impels you to go on,

The Most Chaste Saint Joseph
