Daily Message received in the Commune of Castel Volturno, Campania, Italy, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

All those who persist and cry out for Mercy will receive My gifts and graces because, beyond everything, the Master of Love feels with sincerity the effects of that daily surrender that each disciple makes in the name of Love.

For the servers of Christ, the path of apostleship promises happenings and challenges that will place you even further into the School of Love because of this school will be born the New Christs, who will conceive the experience of redemption within themselves.

When this goal is achieved, My Plan, in part, will be accomplished.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
