DAILY MESSAGE OF MARY, ROSE OF PEACE , TRANSMITTED IN THE CITY OF COLOGNE, GERMANY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Today, in a special and extraordinary way, two important meetings will be carried out, the special meeting with Christ and the Vigil of Prayer for Peace in the Nations.

This demonstrates to your hearts that there are no borders nor distances, and that, when the souls are united in Christ, everything is possible.

These two celebrations will not only have impact in Europe, but also in the whole world.

Two epicenters of light and of prayer will be acting today on the planet: from the city of Cologne, in Germany, and from the Marian Center of Figueira, in Brazil.

This way, and by these means, the Spiritual Hierarchy will be able to work in a more profound realm of the consciousness of the nation of Germany, and of its regent angel.

Through the Marian Center of Figueira, the Divine Hierarchy will make use of the impulse of prayer for the nations of the world so that a powerful current of love may permeate and embrace the hearts that need the most.

The meetings of today will promote an uncommon conjuncture in these times. Thus, the Celestial Universe will descend again to work with humanity and, by means of both epicenters of light that will open in Germany and in Brazil, the Divinity will be able to intercede again for the planet.

All of those who on this day are truly connected with the development of both meetings will receive the necessary spiritual impulse that will prepare you for the next stage.

I will be very attentive to the offerings that My children make from the heart today.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
