DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

For this new novena that will start next 14th of June, I would like you to dedicate each day of it to a certain group of souls, so that My Divine and Unfathomable Mercy may penetrate in the abysses of these consciousnesses and, thus, grant them the maximum Grace of expiation of their sins and those of the whole world, by means of the merits reached by the Precious Blood shed by the Lamb of God on the Cross.

Thus on the first novena day you will submerge in the great Ocean of My Mercy the souls that live the mortal sin or the moral fault in their lives, so that the Source of My Mercy may relieve their spiritual and inner suffering.

On the second day, you will submerge in the Ocean of My Mercy the adulterous souls, especially all of those that take revenge and outrage My Heart with hate, lie and impunity. You will put all of them in the inner lakes of My Unfathomable Mercy so that they may be purified and repaired.

On the third day of the novena, you will submerge in the great Source of My Mercy all the lonely souls, especially the souls that are mistreated in the asylums, hospitals, orphanages and institutes for minors, so that the Grace of Divine Mercy may grant them peace and the hope of being loved.

On the fourth day, you will submerge in the Universe of My Mercy all the oppressors, refugees and people who traffic in human beings in the whole world, so that the greater state of My Justice and My Mercy may be witnesses and supreme justification of their sins before the Celestial Father, for that souls, condemned to the fire of hell, may be rescued by the very powerful Love of My meek Heart.

On the fifth day, you will submerge in the Ocean of My Mercy all the mothers of the world, especially those mothers that suffer for their children's death or imprisonment. You will make enter in My Infinite Piety and Mercy the mothers who are slaves of abortion and instruments of evil in the world to promote genetic insemination and perverted maternity projects. You will take all of them to My Mercy so that I can intercede and grant forgiveness.

On the sixth day, you will submerge in My Mercy all souls that foment wars, persecution and hunger in the world and, especially, you will bring before My Mercy all souls that sign harmful agreements and carry out projects that transgress the peace and unity among nations and peoples. With immense piety, you will place all of them at the feet of the Altar of My Mercy so that they may be forgiven and redeemed.

On the seventh day, you will bring to the Source of Light of My Mercy all souls that are spiritually imprisoned and are object of mental and psychic torture, so that the powerful fire of My Mercy may help them and release them of this constant condemnation.

On the eighth day, you will leave inside of the universe of My Mercy all souls that suffer terminal

disease or sufferings. You will submerge all of them in the Ocean of My Mercy so that I can heal them.

On the ninth day, you will leave inside the infinite universe of My Mercy all souls that follow Me and, especially, the clergy of My Church so that they may be purified and may be up to the events that will come, knowing that I need deep transparence and illumined truth to carry forward the preparation of the return of Your Master and Lord. I wish maximum fidelity from the Church, but especially I aspire for the conversion of those are in My Church and offend My Works, so that they may be redeemed.

During nine days, you will bring all of these souls to My Infinite and Unfathomable Mercy so that the whole world someday can repent and convert to the Love of My Glorious Heart .

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master, Christ Jesus
