DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF MANAUS, AMAZONAS, BRAZIL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

These are times of spiritual needs, but also of material ones.

These are times when only the opening of the heart and willingness will allow for bringing healing and redemption for souls.

Therefore, this is the time for embracing the needs of those who suffer, as well as welcoming those who have never been loved.

This is the time to express what each heart holds, to awaken good, peace and solidarity.

In this sense, I wish to tell you that just as the seasons change, the needs of the souls also change.

For this reason, through the pilgrimages, I take you and place you before meeting all needs, mainly those that require greater love and forgiveness.

This is why the experience with the Sacraments during these last years have represented the possibility that all could learn to avail themselves of the Christic Love, in order to know how to share it and give it, in the same way that I give you My Heart as a safe refuge.

Thus, I wish to tell you that only during the pilgrimages, beginning with the next meeting of prayer for the Amazon, pilgrims shall be welcomed and, according to their needs, they may approach one of the Sacraments in order to receive it.

For this, as from the next month, the 4th shall be eliminated and on the 5th and 6th, during the process of the Marathon during the morning, Sacraments shall be offered to those who need them.

In this way, two or three confessionals, two spaces for the Sacrament of Baptism as well as for Foot-Washing, and one space for the Sacrament of Anointing and the Anointing of the sick shall be placed.

Thus, while the exercise of the Marathon is taking place, the spiritual needs of souls will be served, and at the same time souls will receive the Graces they need.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
