Daily Message received during the journey from Sao Paulo, Brazil, to Lima, Peru, transmitted by Mary, Rose of Peace, to the visionary Friar Elías del Sagrado Corazón de Jesús

The life of the Missionaries of Christ is under the care of their Heavenly Mother, Who protects and safeguards each step that they take.

In obedience, the Missionaries of Christ follow the principles of the Brotherhood and gestate within them the awakening of the sacred sun that ignites the inner universe.

The Missionaries of Christ walk in faith and do not separate from the Commandments of God.

They help to renew the Earth and its humanity by their daily offering and permanent sacrifice to the Higher Purpose.

The guiding star of the Missionaries of Christ is to always glimpse the Divine Purpose, which will lead them all the time to know themselves in order to experience the sacred transformation of their little hearts.

The Missionaries of Christ collaborate with the manifestation of the Plan, as guardians and watchers of the night so that the designs may be fulfilled.

They make a promise before Our Lord Jesus Christ and, from then on, the blazing flame of the spirit illuminates them so that they also take the sacred steps in the Higher Plan.

The Missionaries of Christ have nothing to gain nor to lose. They have much to give to humanity by means of their consecration to God.

I thank you for responding to My call!

Who blesses you in this mission,

Your Mother Mary, Rose of Peace
