Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay to the visionary Friar Elías del Sagrado Corazón

As Lady of the Thirty-Three and Mother of Uruguay, I prepare on this day, together with My children of this country, to move forward with an important task of prayer and of peace on this coming Sunday for all of Uruguay.

It will be through the meeting that will be done in the nineteen departments of Uruguay that your Heavenly Mother will be able to allow the Laws of Mercy to descend from the universe. I will be under the Ray of Omnipresence, accompanying the task of prayer and of peace that will be done in the nineteen departments at the same time.

Together with the angels, My Aurora will shine forth again in the consciousness, and relief and healing will be emerging for all.

Uruguay, as a spiritual nation and through this work of prayer, will be given an important opportunity. In this way, dear children, the Lady of the Thirty-Three will establish the emblem of the Confederation between souls and the Brotherhood among hearts in the consciousness of the country.

My children, all are invited to participate, from your groups of prayer and from your countries, in this important and unique meeting of peace for Uruguay.

Dear children, I ask that you direct all the prayers of May 29 to Heaven for all of Uruguay and its population; in this way, I will be able to intercede again for a very asleep and indifferent nation. Thus, the Grace of God will be with those who will be self-summoned for the mission of prayer for Uruguay on that day.

From the universe, your Mother from Heaven will descend to impart a special blessing for the Uruguayan people.

All those who pray on the planet are invited to be in prayer, vigil and union on the Uruguayan midday of May 29, 2016; at this time, your Mother will also establish an opportunity for the unredeemed.

I thank you for responding to My call!

In a mission of peace for Uruguay and the world,

Your Mother Mary, Rose of Peace
