DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The inner voice of My Heart speaks to you today so that you may feel the depths of My Words and the importance of My Message.

What I want to say to you today is something simple, but full of love, especially to those who, because of different circumstances and reasons, have abandoned their participation in the redeeming Work of My Son.

I want to say to those souls that they still have some time to repent and correct their paths; they have some time to perceive the opposite they have generated for themselves with their actions and emotions.

Before the planet continues to become violently purified, I want to tell these children to reconsider, to not defy the Will of God and, even less, modify the Projects of My Son, because what before was full Mercy for you, could change into an inexhaustible stream of Justice.

I want to tell these rebellious children not to flaunt something that does not belong to them, and also not to seek allies at this planetary moment, in which the reality of the nations becomes more serious. I ask that they leave what is petty, that they not continue to condemn their souls to the earthly abysses nor compromise the mind and the spiritual lives of their brothers and sisters through their comments, actions and disagreements.

As a Mother, I ask all the rebellious children to stop; they are provoking the wrath of God. You do not know it nor have knowledge of it. Repent from the heart and abandon that rebelliousness and indifference that has consumed you like fire.

Do not continue to stain the paths or souls of your brothers and sisters. Do not allow yourselves to be deceived by My adversary. If today you are in this situation, children, it is not anyone else's fault, the responsibility is yours. You moved away from the Love of God and do not want to recognize It. You support your emotions more than the very Plan of God.

No longer hurt the Heart of My Son. He is in silence, just as God is in silence, but the Celestial Father, at some moment, will respond to you in the way you least expect. Thus, cease to vilify the Plan of Salvation. Leave in peace your brothers and sisters, all those who chose through wisdom to follow Christ rather than to follow the resistance of those who rebelled.

I ask that you no longer blame anyone. Recognize your errors and repent. I do not want to see you in purgatory.

No longer look for justifications. Do not abuse the power you believe you have in your hands. I know you will think that the Most Holy Virgin would never tell you all this, but here I am as your

advocate because you no longer have any merits for being saved.

For this reason, I also come for the miserable in spirit, for those who believe they know Truth and yet do not have it because their hearts are empty of Divine Love.

Retreat, retreat in time. Humble yourselves and ask for forgiveness, the Mercy of My Son can still safeguard you. Be humble so as to be able to hear.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
