DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA TO THE VISIONARY SISTER LUCÍA DE JESÚS

As the Sacred Family, we have come to encourage humanity to respond to the Call of God and to fulfill His Holy Will.

As the Sacred Family, we invite the world to learn from the purity of children, and to let them teach you how to find God.

As the Sacred Family, we encourage you to open your hearts to experience mysteries that absolutely transcend human understanding, and completely transform all that is known about life upon Earth, and even about yourselves, opening your eyes to that which you truly are.

As the Sacred Family, we encourage you to offer your souls as instruments of God, to overcome the fear of losing the things of the world, and even yourselves, because everything that you keep as treasures, whether it is ways of life, material things or sentimental relationships of any kind, as well as that which you know about life itself, all this will pass with a breath of Divine Justice, while the experience of Truth strengthens the power and action of Mercy.

As the Sacred Family, we call you to live true love, a love that transcends possessions, that does not seek rewards, that only gives and receives nothing, except from God, Who, each time you open yourselves to give something, infuses you with a greater will to give everything.

As the Sacred Family, we place you before the Grace of the return of Christ, a gift that is incomprehensible to the mind, and only acceptable to the heart that has already discovered faith within itself.

As the Sacred Family, we invite you to discover the possibility of living peace in times of chaos and of maintaining trust in God, even in the face of the greatest suffering, when the Lord asks us, even for our lives, for the love of His Plan, just as it was in the Passion of Christ.

Receive through your prayers the codes of the Sacred Family, and do not leave them guarded under seven keys within yourselves; allow them to take life, to expand and multiply in those who come to you, just as it was with the Sacred Family of Nazareth.

I leave you My peace and absolute trust in the presence of Christ within humanity, because the Lord has been reborn.

The Most Chaste Saint Joseph, in the Sacred Presence of the Most Holy Mary
