

Act of Consecration of the Children of the Entire World to the Immaculate Heart of Mary

We are precious souls of God,
shining stars of the firmament.

We are souls that reemerge
from the Great Source of Love and Unity.

We come to Earth as children with a great mission:
to awaken purity within all humankind
so that war, despair, pain
and suffering may soon end.

We elevate ourselves to You, Divine Mother,
as little humble hearts.

May Your merciful arms shelter us entirely
so that we may be in Your Heart for eternity.

We are the new seeds of the future Earth.

We are hearts that ignite peace and good for all
because, through Your Beloved Son,
humanity will live redemption.

May our purity never dissipate.
May love blossom again as a new flower.

May we, as little children of Your Heart,
radiate to the entire world the Mercy of God.

We consecrate ourselves to You, dear Mother of Heaven.
We consecrate ourselves to You, Holy Universal Virgin.

May Your steps guide us.
May Your gaze protect us.
May Your love shelter us.

May sacred unity emanate from our hearts.

May the world be healed and the Peace of your Spirit
be established for centuries and centuries.

Amen.
