

## Act of Consecration of the World to the Immaculate Heart of Mary

*Prayer to be recited every Saturday.*

Flowers of Light are poured out upon the Earth  
by the Angels of Heaven, who bring in their hands  
the Mercy of God.

The hearts of the world are reborn in the Holy Spirit  
and they awaken to the Maternal Call.

The soldiers of Peace unite,  
because the moment of inner consecration has come.

Shooting stars cross the firmament of the Earth:  
they are the coming signs of Eternal Peace.

Through the consecration of humanity, hope emerges,  
and those who have lost their way to Christ  
return to the Father through His Sacred Heart.

Hail, Queen of Heaven!  
We praise You and we adore You, Immaculate Heart!  
because Your Grace converts our lives  
and we are touched by the gift of Your Blessed Love.

O Mother and Queen of Peace!  
we consecrate our inner dwellings to Your Great Marian Spirit.

O Most Holy Immaculate Mother!  
we trust fully in Your Path of love and redemption.

May we see the Sacred Sun of Christ  
rise upon the horizon  
so that He may forever  
be the infinite morning star that guides our pilgrim feet,  
and may we now and always  
glorify God the Creator for all Eternity.

Amen.
