

Prayer of Union with the Holy Spirit

Spirit of Redemption and Life,
Holy Spirit that restores and illuminates all,
descend upon the hearts that wait for You,
fill the hearts that call You,
renew the essences of those who suffer in the world.

Awaken Your Gifts in those who aspire to eternally serve God.

Awaken Your Spirit in the hearts of the world
and find Your Eternal Dwelling within all of them
so that the Glory of God may be manifested upon Earth,
and that which is Sacred may again live in this world.

Amen.
