

It is All for You, Lord

Father, because of My Passion,
souls have resurrected to Your Divine Spirit.

Father, because of My Life,
sick hearts have been healed.

Father, because of My Resurrection,
humanity has been saved.

Father, because of My Good News,
essences have not remained alone.

Father, because of My Word,
many have again found
the path they had lost.

Father, because of My Sacred Birth,
the children of the world have returned to Your Heart.

Father, because of My Sacrifice,
and for having drunk from Your Precious Chalice,
the wounds of the world have been healed,
evil has been overcome by
the Divine Power of My Love
and the emptiness of many has been
filled by the Faith of My Sacred Heart.

I am Your Shepherd, Lord
and I look after your Flocks.

I am Your greatest expression of Love
and I protect Your Soldiers.

Eternal Father,
Today I consecrate all of Your Children
before the Presence and Glory
of the Celestial Altars
so that Your Infinite Compassion
may be poured out as
a Source of Peace upon all.

Amen.
