

Sacred Unity Prayer

On November 5, 2014, during the Marathon of the Divine Mercy, held in the Marian Center of the Holy Spirit, Christ Jesus said:

"My silence leads you to the favorite union with God, to the constant search for love. And My Heart visits each one of you in order to teach you new things.

You will bathe your heads and purify your feet from every stain as I have taught you, so that you may renew yourselves and find unity with God, the unity that many are losing by being so indifferent to the changes, to the great transformation.

Let us repeat and pray with the heart:

Sacred Unity of God,
unify our lives,
unify our beings,
unify us in profound fraternity.

Amen.

Whenever you are separated and unable to unite, invoke the Sacred Unity of God, the blazing flame that is kept in the Sacred Hearts. In this way, you will be totally helped by Me, by My Most Holy Mother and by the Most Chaste Saint Joseph.

Be just in these times. May you all together live the Sacred spiritual Unity of God, the Divine Thought that unifies matter and all differences under the same redeeming purpose.

Seek the Sacred Unity of God. Nourish your lives through Unity, the flame of grace and pity that will comfort you, that will not separate you, but that will unite you with My Merciful Heart.

Search for Sacred Unity and you will be in profound fraternity. In this way you will be worthy of serving Me and will deserve the Healing of God so as to reach redemption. Meditate on what I tell you. Aspire to live in Sacred Unity.

Whenever you realize this invocation, you will be affirming in your lives union with God and no separation from Him, regardless of what may take place or happen in this world.

Whenever you are unable to live Sacred Unity, be alert, in order to invoke this prayer. And thus you will be protected and safe so that your paths may not deviate like a leaf that flies away when the wind blows".
