

I am Yours

On [July 8, 2020](#), Saint Joseph said:

"Child, do not measure your possibilities according to your own strength. Do not look to concretize the Plan of God only with your own hands. Do not think that you are not capable of doing and experiencing this or that thing because you cannot find the possibilities within. (...) Trust that within a heart empty and willing for the Creator lies His miracles in action, and you will become a living miracle."

Lord,
do Your Work within me and through me,
fulfill Your promises, manifest Your Spirit
and make of my empty heart Your dwelling.
I am Yours.

Amen.
